WORK EXPERIENCE:

Summer 2010

MMPI General Insurance
Donnybrook
Dublin 4

I worked with my Father during the summer months and
Helped with the installation of new computers and assisting
Scanning and indexing of files and document management.

October 2010 to January 2016

The Computer Repair Centre
Old Bawn Shopping Centre
Dublin 24

Position: Technician

I have worked at the Computer
Repair Centre, Extensive IT skills with game consoles such as
Xbox, PlayStation etc.

Also have experience repairing laptops, PC's etc,

I am hoping to progress shortly to software installation,
Preparing bespoke systems and networks.

Open and closed the business also counted cash and locked it
away in the safe.

June 2014 to June 2015

Cahill's Centra
Grange Road Rathfarnham
Dublin 16

I worked as a shop assistant on the floor and on tills.

Became quite responsible and trustworthy, got on with customers well had a few compliments sent in to the store manager and owner. Always reliable and hardworking.

June 2015 to June 2016

Cahill's Centra
Grange Road Rathfarnham
Dublin 16

I was promoted to the management team as a Supervisor and learned good leadership skills. Mainly closed up the business, office, safes, was also trusted with cash to refill the tills etc. When the other shops were short on management I was always dependable and have closed up the other two business in Ballinteer and Blackglen. Always punctual and reliable.

September 2014 to Present

Dublin Institute of Technology
Kevin Street
Dublin 8

I am studying Computer Science and German. Have a great interest in computer programming and games designing. The programming languages I have used are Java, C, SQL, HTML, Javascript and Python. I am in my second year hoping to progress to third and thoroughly enjoying it.

Exam results available on request.

August 2016 - August 2017

Hochschule Darmstadt (H_da)
Schofferstrasse
Darmstadt

Moved to Germany for a year on EDDIT program to study, and gain a second degree on completion of my last year. Greatly increased my German language skills, as well as my programming skills. Attained my B1 level in the German language. Also worked on a team project for a web application, which gave me more skills in working as a team and communication skills.

OTHER INTERESTS:

Sports

I am a keen Rugby player and represented De La Salle College on the Senior Cup Team for 3 years, taught me great team building and leadership skills.

Also had a Leinster U19s trial April 2013 and July 2014
Moved up to De La Salle Palmerston. Made the first team AIL
starting player.

Playing Position – Front Row Forward.

June 2014.

Reference for Mr. Céin O'Rourke

Date of Birth 8th July 1995

To Whom It May Concern,

Céin O'Rourke is an excellent young man and is at present awaiting the results of his Leaving Certificate Examination.. His application to study, and his interest and participation in the life of the College have been exemplary. His punctuality and attendance have also been excellent. He relates well with both his teachers and his peers.

Céin participated well in extracurricular activities in the College. He is a very talented athlete and played for the Senior Cup Team in Rugby. He also played Gaelic Football and participated in Sailing, Swimming and Kickboxing. He is very keen on physical fitness and goes to the Gym regularly. Outside of school Céin has worked as an IT Technician for 3 years.

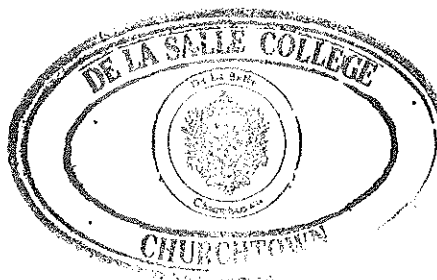

In all my dealings with Céin I have found him to be of the highest character and integrity. He is honest, reliable and trustworthy. Céin hope to pursue a career in Computer Programming of Games Design. He is a fine prospect for any position of trust for which he may qualify and I have no hesitation in highly recommending him.

Yours sincerely,

Lorcan Balfe

Lorcan Balfe.

Principal.
